(SIICT Meerut) Sunrise Institute of Information and Communication Technology was first known as **Seed Institute**. This Institute was started in the year 2009 in the form of a computer training and IAS / PCS coaching institute. After that, it has opened its branches in many cities and rural areas of Uttar Pradesh and more than 3000 students have **Computer Software, Hardware, Typing, Retail Management, Construction Management, and Astrology, Yoga and Naturopathy** and other types of courses.

SIICT Meerut (Sunrise Institute Of Information And communication Technology) run under **Sarvodaya Education & Social Welfare Trust** which Founder Smt. Kamlesh Devi and Co-Founder Mr. Siddhartha Shankar. Sarvodaya Education and Social Welfare Trust is affiliated with MSME (**Ministry of Micro, Small and Medium Enterprises**), ISO (Indian Standard Organization) NCT Delhi and Ministry of Labor. Sunrise Institute have more than 250 training centers throughout India..In the year 2017-18, under the **Pradhan Mantri Skill Development. Sunrise Institute Meerut** conducted training of more than 500 students for **Computer hardware and instruments hardware**, which was carried out in the care of **KGM Immigration Yamuna Nagar**.

We are working tirelessly (with great effort or energy) to take this institution into the world screen in the future. From time to time, various projects run by the Indian government, such as **PMKVY, Digital Literacy Mission, Skill Development, Computer Literacy, Water and Environmental Welfare, People and Yoga Utthan** are working to join the project.

SIICT MEERUT MAIN OBJECTIVES

SIICT MEERUT Objects are as under:

- i. to ensure a steady flow of skilled workers in different trades for the industry;*
- ii. to raise the quality and quantity of industrial production by systematic training of workers; and*
- iii. to reduce unemployment among the educated youth by equipping them for suitable industrial employment.*

SIICT Importance of Vocational Training:

- The Vocational Training does not only provide employment opportunities for educated youth but also ensure socio-economic development of the Country/State.
- Industries do not only need high skilled labor to produce high-tech products, but they will not be able to sell them if their customers and dealers do not have a highly trained workforce.
- The efficiency of any organization depends on how well its workforce is trained.
- Newly employees require some training before they can take up work.
- Technology-intensive production process, which are capital intensive and generally labor saving, even require skilled technicians and machine operators.
- For industry, investment in training is an investment in the future in securing a qualified pool of labor.
- The availability of a skilled labor plays a key role in attracting investors.

SIICT Institutional Training Infrastructure:

- In India, the network of Industrial Training Institutes (ITIs) forms a very important base for vocational training.
- It requires, unlike general basic education, infrastructure mainly in terms of, Workshops, machinery and equipment, in addition to technically qualified faculty as per norms.
